Services include:

- Real-time photo uploads from the event for your social media team (adequate WiFi network or cellular connectivity at the venue is required).
- High-resolution, color-corrected JPEG images delivered via e-mail after the event, typically within 24-48 hours.
- License to use photographs for digital publication and promotional purposes.

Photo delivery via tangible storage media (such as USB drives or prints) can be arranged, but will incur additional production costs and sales tax will be charged on the entire invoice unless a FormST3, *Certificate of Exemption*, is provided.

*Lake Photography is insured through the Great American Insurance Company of New York.
Proof of insurance can be provided upon request.*
